**EFFECTIVE CLEANER/DISINFECTANT:**

A proven one step cleaner - disinfectant, NABC is an excellent disinfectant cleaner for use on all hard, non porous surfaces. More versatile than most acid base products, NABC is strong enough to kill bacteria on the inside of toilet bowls and urinals, yet mild enough to use on a daily basis on most other bathroom surfaces, such as the outside of commodes, on ceramic tile, partitions, counters, door knobs, and walls.

**HELPS FIGHTS BACTERIA AND VIRUSES:**

Effective against the following Bacteria:

- Staphylococcus aureus
- Pseudomonas aeruginosa
- Salmonella enterica

Effective against the following

Antibiotic-Resistant Bacteria:

- Vancomycin resistant Enterococcus faecalis (VRE)
- Methicillin resistant Staphylococcus aureus (MRSA)

Effective against the following Viruses:

- Hepatitis C Virus (HCV)
- Hepatitis B Virus (HBV)
- HIV-1 (AIDS Virus)
- Herpes simplex Type 2
- Influenza A2/Hong Kong viruses
- Pandemic 2009 H1N1 influenza A virus

**SURFACE SAFE:**

NABC contains no acids, caustic chemicals, or abrasives and will not etch porcelain or pit restroom fixtures. NABC will not adversely affect plastic (PVC), metal, or lead pipe plumbing. NABC has a neutral pH. Accidental spills on carpeting, wallboard splashes, or clothing are easily wiped or rinsed away. Easier to use than acid type products, NABC does not produce dangerous fumes when used according to directions.

**AREAS FOR USE:**

Developed for use as part of a daily maintenance program, NABC's powerful formula fights rust, hard water, and lime deposits found in washrooms, yet it is mild enough to use every day on nearly all bathroom surfaces. As a consequence, NABC is highly favored by professional maintenance personnel in hospitals, hotels, motels, and schools whose responsibilities include the daily maintenance of restroom facilities. NABC is especially recommended for cleaning carpeted restrooms. Suitable for the Bloodborne Pathogen Standard.

See product label for complete directions for use and more applications.

**Be sure to read all Directions, Precautionary and First Aid Statements on product labels before use of this or any Spartan product. If questions remain, consult your employer or a physician.
